

Chris, Janine, and Sean Pluger

Chris and Janine Pluger, and their son Sean, are members of Resurrection Evangelical Lutheran Church (WELS) in Centerville Ohio. They are both former teachers and have received extensive training in theology and linguistics.

The Plugers are preparing to move to Zambia, where they will work with mother-tongue speakers of the Nsenga language to produce a Bible that is faithful to the original languages of Scripture, and is clear and beautiful in Nsenga.

Chris and Janine are currently in the U.S. and are available to speak about the work of LBT at Bible classes, mission festivals, and other church events. They would also like to share their mission with individuals personally, to invite them one-on-one to be prayer and financial partners with them in their work.

The Plugers are seeking to build lasting partnerships that will allow them to carry out their long-term work among the Nsenga. While sustaining sufficient monthly support is critical, there is also a one time start up project for household setup in Zambia.

Donations to the Plugers' work can be sent to:

Lutheran Bible Translators,

Please include "Pluger Ministry or Pluger Household Set-Up" on the memo line of your check. You can also give online at www.lbt.org/give.

You can contact Chris and Janine at ThePlugers@lbt.org.

The Plugers are excited to see how the Lord will use them in this new phase of their lives. They are looking forward to being a part of LBT in the important work of Bible Translation, and they rejoice and trust in their Savior.

Lutheran Bible Translators

Lutheran Bible Translators (LBT) helps bring people to faith in Jesus Christ by making the Word of God available to those who do not yet have it in the language of their hearts.

LBT is committed to the Scriptures as God's primary means for bringing about life-changing encounters with Jesus Christ. To be effective, the Word of God must be accessible in a language and media that people most readily comprehend.

There are more than 6900 languages in the world. More than 350 million people who speak 4500 of these languages cannot read Scripture in the language of their hearts. Most cannot read at all. Ongoing literacy programs play a large part in our ministry.

To accomplish our goal, LBT partners with individual Lutherans, a wide range of Lutheran church bodies, Bible translation organizations in North America and around the world, many other Christians, and service and educational organizations and ministries.

LBT recruits missionaries and then trains, equips and helps support them.

Thousands of individuals and hundreds of volunteers provide support to individual missionaries and to LBT through prayer and through their generous, ongoing financial donations.

Since our founding in 1964, through the grace of God, LBT missionaries have helped complete over 30 New Testament translations. Two more translations are expected to be completed by 2011.

These translations bring Christ's Good News of Salvation, and literacy, to more than 7 million people. Nationals and local churches in host countries play a vital, ongoing role in this work.

At present, LBT missionaries are serving in 15 countries on 5 continents working on 31 Bible translation and 54 Scripture Use or linguistic programs.
