Kerewe Team Gets Computers

The Kerewe Team (Tanzania) has now received computers through a grant provided by LBT. Our thanks to all who support the work of LBT for making this possible. The translators can now be more efficient, have resources and reduce time taken from translation to printing.

The translators have all taken computer courses and have started working on the translation of the *Gospel of Luke*. I will go to Tanzania in November to check their work and do more training. Keep us in your prayers.

THE KALANGA HAVE THE COMPLETE BIBLE IN THEIR HEART LANGUAGE!

It was dedicated on August 25, 2018

THANKS to all who made the translation of the Kalanga Bible possible!

THANKS to all who made it possible for Jo Ann and me to attend the dedication!

The lower picture shows the Bible in a basket of millet. Millet is the staple food of the Kalanga people. The idea is the same as Jesus is the Bread of Life. God's Word will bring Life and blessing to the Kalanga people.

PRAYERS

1. Financial support so that Michael can continue the work with the Kerewe (Tanzania) and Khwe (Botswana) work.
2. Safety for Michael's travel back to Tanzania in November.
3. All of us read the Bible and follow in the Way of the cross of Jesus.
